District 2 Update

Dear Neighbor,

I want to first wish everyone a Happy Holidays and a wonderful New Year! As we enter 2020 and start a new decade, I am even more focused and motivated on serving our residents within this amazing county and more importantly, the 2nd District.

We have many diverse issues not just within the unincorporated communities of Coronita, Home Gardens, Highgrove and El Cerrito, but also within our city boundaries. Throughout this next year, we will ramp up our efforts to reach out to the unincorporated communities and the cities of Corona, Norco, Eastvale, Jurupa Valley and Riverside to build and foster an even stronger relationship as we all work together on tough issues related to Transportation, Homelessness, Law Enforcement and the many other pressing issues facing Riverside County.

As we take on this new year, I'd like to thank you all for entrusting in me this important responsibility of being your public servant and look forward to seeing what the year will bring!

Sincerely,

Karen S. Spiegel

Karen Spiegel
2nd District Supervisor

Voices for Children seeks Community Volunteers to Advocate for Children in Foster Care

If you are looking for a unique way to give back to our community and you have a heart for children and teens, consider Voices for Children. Voices for Children is the Court Appointed Special Advocate (CASA) program for Riverside County. CASAs are volunteers who advocate for a child or sibling group in foster care. Children in foster care have been removed from their homes due to abuse or neglect. A CASA spends time with the child, works to understand their needs, communicates with professionals on the case including social workers and attorneys, and advocates for the child's best interests to the judge who is making decisions about the child and their family.

Voices for Children guides CASA volunteers every step of the way and provides all of the training that volunteers need to begin. All CASA volunteers are supported by Voices for Children's professional team of Advocacy Supervisors. Volunteers are asked to make an 18-month commitment and visit their child at least once per month. Most volunteers report that they dedicate between 10-15 hours per month to their advocacy.

Voices for Children is a nonprofit organization that has been serving Riverside County since 2015. Since that time, it has grown to serve more than 400 of the county's children. Twenty-four District 2 residents served as CASAs last year. However, thousands of children spend time in the county's child welfare system each year. As the only organization designated by the court to operate the CASA program in Riverside County, VFC is seeking to grow its CASA program to reach more children who need an advocate.
