Participation at Council Meetings:

Please remember that while in attendance at the council meetings, members are strongly encouraged to be actively engaged in the meetings. Participation in council meetings includes actively contributing to the discussion, providing recommendations and comments. Participation and discussion during meetings is essential for the success of the council.

Involvement Expectations:

In an effort to get council members involved in a variety of projects and activities, each council member is required to meet the minimum Volunteer Hours requirement in addition to attending regularly scheduled meetings. Regular participation in council projects and activities is a required component of being a member of the Second District Youth Advisory Council. In order to ensure that council members are actively involved in council business, members will be held accountable to meet the below listed participation standards:

2022-2023 Term Year Participation Requirements

Participation Term Number	Term Start Date	Community Service Hours (30 per term)	Term End Date
1	July 31, 2023	30	December 28, 2023
2	January 11, 2024	30	May 31, 2024
	TOTAL Hours Required	60 hours	

Volunteer Hours can be earned in a number of ways including:

1. Volunteering at available community volunteer opportunities
2. Participating in Youth Commission events/activities/meetings
3. Participation in committee led events or projects

If you know in advance that you will be less available to volunteer during a certain term due to school conflicts or sports, you can opt to participate in events in advance. Council members are encouraged to participate in events and activities that they are interested in order to obtain the greatest gain out of their participation. Any events that you complete in excess of the required hours will be “carried over” to the next term. At the end of each term (as designated above) the council member will submit the tracking sheet for review and approval by your Legislative Intern. It is the responsibility of the council member to meet the minimum hour requirements by the term end date for each of the two terms as outlined above. Please refer to the specific Participation Tracking Sheet for detailed directions on how to record your volunteer service. If you feel that you will not be able to meet these requirements because of a conflict, please discuss it with your Legislative Intern.

Please be advised that throughout the year there will be certain activities presented during YAC meetings that are termed “mandatory events.” Mandatory events are either Youth Commission led or Council led activities. In the event that you cannot participate in a “mandatory event” due to a conflict, you must submit a request for excusal to your Legislative Intern.

We understand that medical problems, family emergencies, school responsibilities, club or sport engagements, and extreme circumstances occur. Please be aware that failure to meet the requirements by the term date can be excused or the term may be extended by the Legislative Intern. It is your responsibility as a council member to keep your Youth Council Coordinator apprised of your status, and any conflicts you may have.

This agreement is our mutual expectation of your commitment to make the Youth Advisory Council a success. Please indicate your support of and approval of this agreement by completing the required information. We look forward to a successful and enjoyable council year! We appreciate your commitment to make the Second District Youth Advisory Council a success!

I agree to participate in the success of the Second District Youth Advisory Council, and I accept the terms of this agreement.
