4.0 New Business

4.1 Southern California Edison

- Jeremy Goldman
- The Alberhill substation project which has been on the books since 2009 is still under review. Over the years project alternatives have been studied including battery storage, solar, etc. A third project is possible.
- On June 15, 2023 conducting community meeting on Public Safety Power Shutoff protocol and how to prepare for an emergency

4.2 El Sobrante Landfill Update

- Art Marquez & David Meyer
- El Sobrante Landfill tours are available to community members to learn more about the landfill
- The El Sobrante Landfill activities include summer day camps, calendar art contests, seasonal community events, community cleanups
- Work is currently in Cell 13. We try to be as invisible as possible in our activities. We are in operation 24 hours a day six days a week. Currently 60 individuals work at the landfill. The landfill is averaging about 11,000 to 12,000 tons of trash per day. In the process of hiring a new community relations individual to help with landfill community activities. The landfill has an odor neutralizer system running to control odors. The methane gases are collected.
- Waste that is identified as producing significant odors is buried as quickly as possible
- When a community odor complaint occurs the community relations representative will come out to the community to address the issue
- Community comments regarding El Sobrante Landfill activities include: 1) every night experiencing odors; 2) filed approximately 50 odor complaints to AQMD; 3) reselling gas back to the gas company; 4) the landfill smell is worse over the last

two to three months; 5) the odor smells like garbage; 6) come to Terramor at 6:30 AM to evaluate the odor; 7) the cost of odor mitigation maybe limiting your odor elimination activities.

- Contact the El Sobrante Landfill first with all concerns about odors
- Terramor homeowners to tour the El Sobrante Landfill facility to gain a better understanding of its operations

4.3 MAC Board Elections

- The Board consensus was that the Bob Hafner (Vice Chair) should become the Chair and the Lee Wilson (Secretary) should become the Vice Chair. Jerry Sincich was elected to the Secretary position
