SUPERVISOR KEVIN JEFFRIES FIRST DISTRICT Woodcrest Update 7/14/22

Woodcrest Community Park Improvement Project: Funds from County Service Area 152 Corridor Quimby Fund for 1,000,000 dollars have been allocated for a Woodcrest Community Park adjacent to our Woodcrest Library. As mentioned in Woodcrest's last update, the Board of Supervisors approved this in March 2022. The project is expected to be complete in Spring of 2024. Please see photo below of early conceptual plans for the park; this plan is still open to suggestions and amendments.

Woodcrest Library Park

Concept Plan

Homeless Camp on Van Buren and Gardner: Riverside County Code Enforcement has successfully received a 602 letter from property owner and has served a notice to vacate letter, to the homeless inhabitants. Because of Code Enforcement's work with Riverside County Sheriff we have a projected clean-up date of July 26, 2022.

Vacancy in Woodcrest MAC: We have two alternate position vacancies on our Woodcrest MAC. If interested, please send your inquiry to Damian Fussel at dfussel@rivco.org.

County of Riverside

Vacancies on Other County Commissions: If interested in applying to any of the below vacancies please reach out to Damian Fussel at dfussel@rivco.org or 951 955-1010.

1. In Home Support Services (IHSS) – Recipient of IHSS Services – One (1) opening
2. Behavioral Health Commission – Family Member – One (1) opening
3. First 5 Advisory Committee – One (1) opening

Infrastructure improvements:

Washington Street and Saddleback Road: Traffic signal installed \$1,160,000.

Van Buren Avenue Paving Projects:

Project No.1 – The Pavement Resurfacing Project for the segment of Van Buren Boulevard between Pine Court and Capella Street is scheduled to start construction during the first quarter (January to March) of 2023. Project design is nearly completed with the project scheduled to be advertised in September 2022.

Project No. 2 – The Pavement Resurfacing Project for the segment of Van Buren Boulevard between Capella Street and Washington Street is in the preliminary design phase, with constructed anticipated in late 2023.

Capella Street Paving Project: Capella Street between Van Buren Boulevard and Summit Crest drive is planned to be paved. The design team is currently working on finalizing the project footprint. The Project has had a desktop review by environmental, and they did not find any significant items of concern. Along some sections of Capella Street, there is a large vertical difference between the preliminary road profile and the adjacent properties, which will require retaining walls to minimize impact to adjacent residential properties. The project will likely require a low-level environmental document, but it will depend on the final drainage structures and impacts to waterways. Riverside County Transportation anticipates construction to occur in 21 to 27 months.

Roads that have or are receiving Slurry Seal in Woodcrest:
